# ABOUT US

Haskil Plastik is a family company that was founded in 1989 but has 15 years of experience in the brush industry.

The name Haskil in our market is always synonymous with quality. Since 2015, we have turned our target to the foreign market and become a company that exports to 30 countries.

We are always behind our products and by our customers.

# OUR COLOURS

We continue to expand our color range in line with the special requests of our customers.
